

#fillafoodbank

Fill A Foodbank Challenge

The cost of living crisis is hitting our most vulnerable people in society the hardest.

Our aim is simple, we want to fill our foodbanks this festive season. That's why we are challenging all of you to #fillafoodbank in your local area and make sure hundreds of people can eat this Christmas.

The challenge is simple:

- Contact your local foodbank and find out what donations they would like.
- Collect food donations from friends, family, etc.
- Arrange with your local foodbank to drop off donations
- Shout about your group helping your local community on social media using the hashtag #fillafoodbank

Fill A Foodbank Challenge

Useful Info

There are national charities that run their own foodbanks across the country, aswell as collaborating with small independent local foodbanks to distribute food to where it is needed.
If you dont know where your local foodbank is, contact your local council for details.
